

Audit Senior

At Deloitte, we believe in the power of curiosity, a sense of purpose, and a growth mindset. We are committed to providing a supportive culture rooted in our shared values and driven by our purpose to make an impact that matters. Join us and be part of a vibrant, forward-thinking community that values inclusion, collaboration, and continuous learning while enjoying an island lifestyle!

What will your typical day look like?

As an Audit Senior, you play an integral role in designing and completing Audit engagements for a diverse range of clients. You are a trusted advisor to our clients given the importance of reliable financial information in today's world. Continuous learning and development will be a part of this role as you gain exposure to different businesses and complex challenges. You can expect to:

- Help lead, plan, and execute high quality audit engagements from start to finish and assist clients with complex accounting matters and identifying business and financial risk.
- Leverage audit tools and new technologies.
- Develop and mentor junior audit team members.
- Engage in Deloitte's DE&I, sustainability, and well-being initiatives and a variety of social and community events.

You are someone with:

- A bachelor's degree or equivalent post-secondary/qualification (i.e., ACCA)
- An internationally recognized professional accounting qualification (CPA, CA, ACA, ACCA)
- 2-3 years of relevant audit experience in a public practice firm including knowledge of IFRS Accounting Standards

Not required, but preferred:

- Experience with a Big 4 professional services firm
- Experience working with cloud-based audit software
