

JOB OPPORTUNITY

Financial Controller

The Airport Authority invites suitably qualified and experienced professionals to apply for the position of **Financial Controller**.

Position Summary

Reporting directly to the **Chief Financial Officer (CFO)**, the Financial Controller is responsible for the overall financial management, accounting operations, financial reporting, and internal control framework of the Authority.

Key Responsibilities

- Oversee day-to-day accounting operations, including general ledger, accounts payable/receivable, payroll, and fixed assets
- Prepare timely and accurate monthly, quarterly, and annual financial statements
- Manage the annual budgeting process and periodic financial forecasts
- Ensure compliance with International Financial Reporting Standards (IFRS), relevant legislation, and internal financial policies
- Coordinate and lead external and internal audit processes, including liaison with auditors and timely resolution of audit findings
- Strengthen and maintain internal controls, financial procedures, and risk management practices
- Support financing arrangements, loan administration, and capital project accounting
- Provide financial analysis and strategic advice to executive management and the Board as required

Qualifications & Experience

- Bachelor's Degree in Accounting, Finance, or a related field
- Professional accounting designation required (CPA, ACCA, CA or equivalent)
- Minimum of 5 years progressive experience in accounting or financial management, with at least 3–5 years in a senior or supervisory role
- Strong knowledge of IFRS, financial reporting, budgeting, and internal controls
- Experience in public sector, statutory bodies, infrastructure, or large multi-site organizations is highly desirable
- High level of integrity, discretion, and professionalism

Skills & Competencies

- Strong financial analysis and reporting skills
- Excellent written and verbal communication
- Ability to manage competing priorities and meet strict deadlines
- Advanced proficiency in accounting and financial management systems
- Strategic thinker with strong attention to detail

Interested applicants should submit:

- A detailed resume
- A cover letter outlining suitability for the role
- Copies of relevant certifications
