

Partner

Nexia Financial Solutions Bahamas is a member firm of Nexia International, a leading global network of independent accounting and consulting firms.

Nexia Financial Solutions Bahamas, trading as Nexia, is seeking an ambitious and accomplished professional to join our leadership team as Partner. This is a rare opportunity to shape the strategic direction of a respected member firm of the Nexia International network while serving clients across accounting, advisory, tax and assurance.

About the Role

As Partner, you will work directly alongside the Managing Partner to oversee client engagements, drive business development, and mentor a growing team of professionals.

Key Responsibilities

- Lead and oversee a portfolio of accounting, advisory, tax, and assurance engagements.
- Build and maintain client relationships across the Bahamian and wider Caribbean market.
- Drive new business development and contribute to the firm's strategic growth plan.
- Mentor, develop, and supervise junior and senior staff.
- Ensure engagement quality, regulatory compliance, and adherence to Nexia International standards.
- Represent the firm within the Nexia International network and the local business community.

What We're Looking For

- CPA, CA, ACCA, or equivalent professional accounting qualification.
- A minimum of 6 to 10 years' progressive experience in a public accounting firm.
- Proven track record in client relationship management.
- Strong leadership skills with a demonstrated ability to develop and mentor teams.
- Sound working knowledge of Bahamian regulatory and compliance requirements.
