

Join Our Growing Audit Practice Grant Thornton Bahamas

Senior Associate | Manager | Senior Manager | Director

At Grant Thornton Bahamas, we are building something exciting.

Following the launch and rapid expansion of our Bahamas office, we are seeking ambitious, high-performing Audit professionals to join our team at multiple levels — from **Senior Associate through to Director**. This is a unique opportunity to be part of a **fast-growing firm**, where your contribution will directly shape our success, and your career progression can accelerate accordingly.

Why Join Us:

- Fast-track career progression in a rapidly expanding office.
- Exposure to diverse and international client portfolios
- Opportunity to influence and build a growing practice.
- A culture that rewards performance, initiative, and leadership
- Work with a globally recognized firm, with a strong local presence.

About the roles:

Our professionals are thought leaders providing personalized attention and quality service to our clients.

Depending on your level, you will:

- Lead and deliver high-quality external audit engagements.
- Manage client relationships across a range of industries.
- Coach and develop junior team members.
- Contribute to business development and growth initiatives.
- Support the development of audit methodologies and best practices.
- At senior levels, play a key role in strategic leadership and practice development.

What you need:

We are seeking candidates who bring:

- Recognized professional accounting qualification (e.g., ACA, ACCA, CPA)
- Strong external audit experience within a professional services firm
- Proven ability to manage engagements and build client relationships (Manager and above)
- Leadership capability and a collaborative mindset
- A proactive, solutions-oriented approach

Highly Desirable:

- Experience working with Digital Assets, Cryptocurrency, or Blockchain-based businesses.
- Familiarity with Digital Asset Exchanges
- Knowledge of regulatory frameworks, particularly the DARE (Digital Assets and Registered Exchanges) Act in The Bahamas

Being Part of Something Bigger

This is more than just a role—it is an opportunity to **grow with us**, shape the future of our Bahamas practice, and accelerate your career in an environment that values ambition and innovation.

This position is offered with a highly competitive compensation package and bonus structure, as well as standard benefits such as medical and pension. In line with our rapid growth, there are excellent opportunities for ambitious, driven candidates to progress within the firm. Our mission is to offer the best audit services in The Bahamas, and having the best team is where it all begins.
