

Senior Associate, Advisory

Position Summary

A career with Kreston Bahamas within our Advisory Services practice provides the opportunity to help clients address strategic, operational, financial, governance, and risk-related challenges. As a Senior Associate, you will contribute to client engagements, provide practical business solutions, and support the delivery of high-quality advisory services across a range of industries.

Key Responsibilities

- Assist in the planning, execution, and delivery of advisory engagements.
- Conduct research, business analysis, and process reviews.
- Support risk management, internal audit, governance, and compliance projects.
- Identify operational improvement opportunities and provide practical recommendations.
- Prepare reports, presentations, and client deliverables.
- Develop and maintain effective client relationships.
- Supervise, coach, and support junior team members.
- Keep current with relevant regulatory, industry, and business developments.
- Participate in business development and proposal activities.
- Contribute to a collaborative and client-focused team culture.

Qualifications and Experience

- Bachelor's degree in Accounting, Finance, Business Administration, or a related field.
- CPA, CA, ACCA, CIA, CISA, or equivalent professional designation, or active pursuit of a relevant qualification.
- Approximately 3-5 years of experience in advisory, consulting, risk, internal audit, or professional services.
- Strong analytical, problem-solving, communication, and project management skills.
- Ability to manage multiple priorities and work effectively in a team environment.

Preferred Areas of Experience

- Internal Audit
- Risk Management
- Corporate Governance
- Regulatory Compliance
- Business Process Improvement
- Financial and Operational Reviews
