- Supervise, train, and support junior team members.
- Develop and maintain effective client relationships.
- Review audit work and ensure compliance with professional standards.
- Communicate findings and recommend improvements where appropriate.
- Stay current with accounting, auditing, regulatory, and business developments.
- Contribute to the technical development of the team.
- Participate in business development and client service initiatives.
- Support a collaborative and high-performing team environment.

Qualifications and Experience

- Bachelor's degree in Accounting, Finance, or a related field.
- CPA, CA, ACCA, or equivalent professional designation, or active pursuit of a relevant qualification.
- Approximately 3-5 years of experience in external audit or assurance services.
- Working knowledge of IFRS and International Standards on Auditing (ISA).
- Strong analytical, communication, organizational, and problem-solving skills.
- Ability to manage multiple priorities and work effectively in a team environment.

What We Offer

- Exposure to a diverse client portfolio.
- Opportunities for professional growth and advancement.
- Ongoing technical and professional development.
- A collaborative and supportive work environment.
- Competitive compensation and benefits package.
