

Position Available – Internal Audit, Risk & Compliance Analyst

***RoyalStar Assurance Ltd. invites qualified career-oriented individuals
to join our Team.***

Key Accountabilities:

Report to the Internal Audit, Risk & Compliance Supervisor. Duties include, but are not limited to:

- Reviewing business processes and procedures to assess the adequacy and effectiveness of controls; identifying internal control deficiencies and associated risk implications; and recommending appropriate corrective actions
- Performing internal audits of the Company's functions and outsourced operations, including agents, brokers and network partners, to assess compliance with the policies and procedures, applicable insurance laws and regulatory requirements
- Assist with drafting internal control procedures including narratives, process and data flows, and other supporting documents
- Monitoring regulatory requirements and reporting deadlines, while tracking changes in applicable laws, regulations, and regulatory guidelines and assessing their impact on the Company's operations, policies, procedures, and compliance obligations
- Assisting with the preparation of audit, risk, and compliance reports for Management review
- Assisting with requests arising from regulatory audits, examinations, and reviews
- Assisting with other related duties as directed by Management

Educational Qualifications & Required Skills:

- Bachelor's Degree in Business Administration, Accounting or Finance
- Minimum 3 years' experience in related field
- External or internal audit or compliance experience
- Good working knowledge of Microsoft Office
- Strong written, communication, and interpersonal skills
- Must be disciplined, a team player and demonstrate a strong work ethic
- Analytical skills necessary to understand and resolve complex problems
- Travel required to the various territories in which the Company operates

***Salary and benefits commensurate with qualifications
and experience for the position.***
